

Become a Rock Star on Twitter Just Like The Maestro!

There is simply NO better way to reach thousands of people each and every day!

1. go to www.twitterfriendfinder.com and buy hummingbird, \$97 (code: recession)
2. go to www.socialoomph.com and register for free account
 - a. set up a direct message (DM) thanking the individual for following you.
 - b. use one sentence, then mention what you do and your URL in 2nd sentence.
3. always use hummingbird program to tweet going forward
4. open hummingbird, click "start now," and log into twitter
5. open web browser and go to www.tweepsearch.com
6. search tweepsearch for anything you like
 - a. realtor, real estate investor, real estate wholesaler, short sale, etc, etc
7. Once you search, you'll be shown everyone who has that term in their bio
8. click "followers" and sort by how many followers each person has
 - a. want arrow down, so people with least followers come up first
9. Find an individual who has 500 followers or less
10. take their Twitter name and go to Hummingbird, click "find people" and find that person
11. once found, click to follow that person, then click their name and go to their Twitter page
12. once there, click their "followers," and click "follow all" in lower bottom right of screen
13. will take about 10 min's to complete. just let it ride...
14. repeat steps 4 through 11 for someone else in your search who has 500 or less followers

If you do this, you will be following 2000 people very shortly, like in about half hour.

Twitter will halt you at 2000. You then wait and see who follows you back. Best

to wait a few days. After a few days go by:

1. login to your twitter account via hummingbird
2. click on your "following"
3. click "unfollow all" in lower right hand corner of screen (hummingbird will unfollow anyone who is not following you back. No sense wasting valuable space on them).

Tweet tips:

1. Quote in morning (motivational, inspirational, whatever)
2. Entertaining tweet in evening (funny youtube link, joke, etc, etc)
3. Tweet for business somewhere in between morning and evening tweet
